NUMERO UNO is a KWPN stallion licensed for 8 European studbooks. He is one of their leading jumping sires with a pedigree and performance test results that earned top ranking. His progeny are proven popular with top riders the world over.

DISTELGOLD LS is a full sister to DABOO LS who is the dam of LARINIUM LS - a talented young showjumper ridden by Logan Massie and then his sister Georgia. He jumped at World Cup height before sale to a young rider in NZ.

TABOO was the last foal of DONNA, who produced showjumpers that sold to JAPAN, USA and HOLLAND. Her NZ offspring included DONATELLO who won the style section as a 6 year old of the National Breeders Show with Philip Steiner. This is a strong SJ family.
